## Quick Facts

Programs: UG & PG Programs

Intake: 60 Seats per Program

Admissions: Open for 2026–27

Learning Focus: Academics + Communication + Digital Readiness + Career Direction

## Why Choose Arts, Commerce and Science at SNBP University?

Because the Future Needs Thinkers, Communicators,  
Analysts and Digital Problem-Solvers

The world is changing quickly. Employers today do not look only for a degree. They look for graduates who can understand situations, work with people, communicate ideas, analyse information, use technology and keep learning.

- ▲ A student of **Psychology** learns to understand human behaviour, emotions and relationships.
- ▲ A student of **English** learns the power of language, writing, interpretation and communication.
- ▲ A student of **Economics** learns how markets, policy, finance and decision-making shape the world.
- ▲ A student of **Commerce** learns business, finance, accounting, taxation, banking and entrepreneurship.
- ▲ A student of **Arts** learns to understand society, culture, governance and human experiences.
- ▲ A student of **Computer Science, BCA or MCA** learns to work with technology, software, applications, data and digital systems.

## Career Readiness from Early Years

Career preparation is not treated as a final-year activity. Students are encouraged to build confidence, communication skills, digital skills, projects, internships, portfolios and professional readiness from the early years of their academic journey.

### Student Portfolio Includes

- ▲ Resume
- ▲ LinkedIn profile
- ▲ Writing samples
- ▲ Project reports
- ▲ Presentations
- ▲ Research assignments
- ▲ Internship experience
- ▲ Certificates
- ▲ Event participation
- ▲ Volunteering experience
- ▲ Technical projects, wherever applicable
- ▲ Creative work, wherever applicable

### Campus Life Beyond Classrooms

Students experience clubs, workshops, cultural events, sports tournaments, student committees and leadership opportunities that build confidence, teamwork and belonging.

## Communication, Confidence & Personality Development

Many students have knowledge but hesitate to speak, present or express themselves clearly. At SNBP University, students are encouraged to build confidence through classroom participation, presentations, group discussions, events, writing tasks, club activities and

### Students Are Guided To Improve

- Spoken communication
- Listening skills
- Confidence

**Note:** Fees, intake and program structure are subject to SNBP University norms and applicable updates.

### Additional University Charges:

An additional amount of **₹26,000** is applicable towards university charges and student services such as administrative fees, examination fees, insurance / medical fee, uniform, alumni fee, convocation fee, caution money and other applicable charges. These charges will be payable from time to time as per the university payment schedule, and students will be informed accordingly.

## Honours Pathway

Students may have the option to pursue a **4-year Honours pathway**, wherever applicable and as per university academic structure, regulatory norms and program requirements.

The Honours pathway may provide deeper academic exposure, advanced learning opportunities, research orientation and stronger preparation for higher studies or professional pathways.

### Honours Fee Note:

For students choosing the 4-year Honours pathway, the total tuition fee will increase by one additional year of the applicable annual tuition fee for the selected program.

## University Charges & Student Services

University charges and student services are applicable as per program duration and SNBP University norms. These may include charges related to administration, examination, insurance / medical support, student services and other applicable university requirements. Students will be informed from time to time regarding the applicable payment schedule.

## Scholarships & Loan Support

### Scholarships Available

Eligible students may apply for university scholarships based on merit, sports excellence and applicable university norms.

**Scholarships are subject to eligibility, document verification, continuation rules where applicable and final approval by the SNBP University Scholarship Committee.**

### Education Loan Assistance

SNBP University has collaborated with banks and NBFCs to support students and parents with education loan assistance. The university may also provide required documents such as admission confirmation, fee structure, course details and program duration to help students complete their loan application process.

**Final loan approval is subject to the eligibility criteria, documentation requirements and approval process of the respective bank or NBFC.**

## Admission Process

### 1. Enquire

Connect with the admissions team to understand programs, eligibility, fees, scholarships and career pathways.

### 2. Counselling

Get guidance on the right program based on your interests, aptitude and career goals.

### 3. Apply

Submit the application form and required documents.

### 4. Verify

Complete eligibility and document verification.

### 5. Confirm Admission

Complete fee payment as per university norms and admission formalities.

### 6. Begin the Journey

Start with orientation, academic on boarding and student induction.

## Your Future Needs More Than a Degree.

It needs clarity.

It needs confidence.

It needs communication.

It needs digital readiness.

It needs exposure.

It needs discipline.

It needs direction.
